Switching family organizer apps

Before you switch apps

Bring these over before you stop opening the old app, so nothing gets left behind.

Dates

- [ ] Recurring events (practices, lessons, standing appointments)
- [ ] Birthdays and anniversaries
- [ ] School breaks and early-release days for the rest of the year
- [ ] Appointments already booked (dentist, doctor, haircuts)

Lists

- [ ] Grocery staples you buy every week
- [ ] Open to-dos you haven't finished
- [ ] Gift ideas saved for anyone
- [ ] Packing lists you reuse

Notes and info

- [ ] Kids' sizes, teachers and allergies
- [ ] Recipes you make again and again (save the links)
- [ ] Logins or codes you kept in a note

Who else needs to know

- [ ] Tell your partner where things live now
- [ ] Turn on the calendars already on your phone in the new app
- [ ] Give it one week before you delete the old app

Anything else to bring over

Or say it to Lawna: "Soccer is Tuesdays and Thursdays at 5. Ellie's birthday is March 3rd. We always need milk, eggs and coffee."
